

Coronavirus.

Update 17<sup>th</sup> March 2020.

We have now been advised by the Government that all non-essential travel is to stop to reduce the spread of coronavirus.

This means that our Day Excursions and Holiday Programme will be suspended with immediate effect, and until further notice. We will continue to monitor the situation in order that it can be resumed in due course.

We will be contacting those booked on trips in departure order to advise about rearrangements, refunds etc. Please be aware our phones are extremely busy, and we will get to everyone as soon as possible.

We thank you for your support and patience in what are very unusual and trying times, the most important thing is that everyone stays safe and well.
